Re: Out-of-Field Teaching Assignments

Individuals who are teaching out-of-field are certified in at least one area and are qualified to teach but are required to take additional coursework or testing to add a coverage/endorsement to their certificate. The State also requires a teacher to take coursework by gaining inservice points towards an English for Speakers of Other Languages (ESOL) endorsement, when the teacher is the primary language arts provider and/or reading teacher for an ESOL student.

The following teacher has agreed to teach out-of-field while completing coursework and/or testing:

- Carolyn DiDomenico (English Speakers of Other Languages)

Should you have any questions about the out-of-field teachers, please do not hesitate to contact our office at (727) 868-0067.
