Meal Choices

At lunch, the menu choices are categorized into component groups. There are five component groups: Fruits (red); Vegetables (green); Grains (orange); Protein (purple) and Milk (blue). To receive a lunch at the published price, students must select a minimum of one (1) choice from three (3) different component groups up to a maximum of one (1) choice from all five (5) different component groups (2 vegetable choices are allowed). One (1) choice must be from either the **fruit** and/or **vegetable** group to avoid inadvertent or unexpected a la carte charges, for both breakfast and lunch.

Did you know that you can apply for free or reduced meals at any time of the school year?

Simply fill out our web-based application on-line by scanning the bar code to the left, or by visiting our website at: www.pascoschoolsfn.org—

This form needs to be **completed yearly** to determine your child's benefits. If your child is approved for free or reduced meals, that means they get the same benefits for breakfast too!

When your child joins us for **BREAKFAST & LUNCH**, you can rest assure that they are eating 2 nutritious meals.

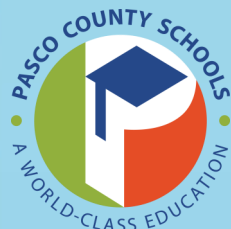

We will be offering three easy ways to purchase your lunch in the cafeteria. You can continue to pay with **cash or check**, go online to prepay with **MySchoolBucks.com**, and NOW pay with a **debit or credit card** at any location. A minimum purchase of \$3.00 is required when using a debit or credit card. If you pay with a check, please include your child's student ID number.

GRACE PERIOD/CHARGE POLICY

To help parents with the busy day-to-day tasks needed with school-aged children, we offer parents a grace period when lunch money is forgotten. This grace period allows all students to charge meals to their student meal account until they bring money from home or replenish the funds online using our online prepayment system, **MySchoolBucks.com**. This service allows parents to ensure funds are always available for your child's meals.

Elementary students may charge a maximum of \$10 and middle school students may charge a maximum of \$3.00. Once the charge limit is reached, students are offered an alternate lunch of a cheese sandwich, a milk choice, one fruit and up to two vegetable choices until the charges are repaid. A la carte, snacks, and second entrees cannot be charged. Parents are still responsible for the cost of the charged meals.
